Exclusive

This is the double axle, top of the range 4-berth. Start with 5,75 metres of interior space then fill it with all the creature comforts you can think of. Luxury fittings and fabrics, toilet, shower, microwave, hot and cold running water and cupboard and working space galore.

Penta

South Africa's favourite on-road caravan and with good reason! Take these standard features -- an exterior 220V multi-plug to run all electrics, 210l 220V fridge/freezer, a glass top 2 burner stove, a 19l microwave and you can sleep 4 comfortably inside. You also get a full tent and groundsheet.

Fleetline

The ideal caravan for a couple with young children or granny and grandpa who have young visitors! It sleeps 4, has a full kitchen with 210l fridge/freezer, a glass top 2 burner stove and a microwave plus a full modular tent with a groundsheet.

Expo

The most affordable Jurgens caravan available, but still packed with great features. It sleeps 3 adults, has loads of cupboard and wardrobe space and 210l 220V fridge/freezer. There is even a rally awning.
